HAMISH

Animal Ref Code: R356

About them:

Hamish is a huge snuggle pot who just wants to be with you ALL THE TIME. He will even give you lots of kisses once he feels comfortable. He is not shy, and will run up for a cuddle, and will happily be picked up. He is a petite boy, so will need to be handled carefully. He may wriggle and jump if not held by a confident handler.

He is very adventurous, and will keep you on your toes as he explores the house. He's not worried about other pets, as long as they are kind to him. Hamish is an escape artist, requiring an x- tall enclosure that he also won't be able to squeeze through the bars.

He will require life long grooming due to his fine and soft fur. Although still working on his toilet training, he is getting much better - It seems this is the first time he's had a dedicated litter space so is still adjusting.
