JORDAN

Animal Ref Code: R382

About them:

Let's go, Jordan! Let's go!

This little man is the athlete, we're his cheerleaders, and the world is his race track. Jordan.

Although this guy loves a pat, he is always running off on his next adventure and wants to see how big the world (or house) really is. Jordan has pretty much mastered his toilet training after coming into the rescue with no potty manners, and we're very proud of him. Absolutely wants (maybe needs) free roam time in his new home to get his zoomies out.

This sociable little man, like all the jocks, is popular and we think he'd be amazing with a friend or two as he's done very well with other bunnies in his foster home. There are no other animals and no children so he remains untested with them, but bunny savvy children should be okay.

Whilst his current home is calm and quiet, he would likely join in the chaos of a much busier and energetic household. He's not afraid to rise to the challenge.

After he wins the race around the house, he loves dandelions instead of gold medals, and don't forget his morning pellets as breakfast is the meal of champions.
