MOCHA

Animal Ref Code: G270

About them:

Mocha is a confident little dude with the sweetest personality. He's the kind of guinea pig who will happily watch you approach his cage without running for his hidey instead, he just looks at you as if to say, "You again??"

He is incredibly chilled, very quiet, and absolutely adorable. Mocha loves cuddles, gentle face rubs and being brushed, and he really enjoys spending time with his people. He has such a beautiful, calm nature and would make a wonderful companion for the right family.

Mocha is such an incredible piggy, but we feel he would really benefit from having a male guinea pig buddy to share his days with. We'd love to see Mocha have a friend to chatter with, nap beside and enjoy life with.
