HENRY & SPUDLEY

Animal Ref Code: G263 G273

About them:

Henry is our handsome guinea pig with a BIG personality! He's a little bit of a show off and definitely likes to make sure everyone knows when something exciting is happening.

Spudley is a gorgeous, spunky and funky boy recently found in a park. We're unsure where he's come from before that, but even his small size and youth he's got some character slowly coming out with so much more to explore!

Entering rescue separately, these boys have come together very nicely, with Henry taking Spudley under his wing!

Both boys are huge foodies. Henry has an incredible ability to hear someone chopping vegetables from practically anywhere! The moment he hears chopping in the kitchen, Henry might even get on his hind legs and wait very patiently for his share!

Despite their cheeky and confident personalities, Henry actually quite happy being picked up and enjoys a good cuddle, Spudley is getting there! They're curious, vocal and full of character, and will quickly make themselves a part of their new family!
