PINK

Animal Ref Code: R340

About them:

This sweet boy is perfectly happy in his own company, but he's also a friendly little gentleman who loves being picked up, having pats and enjoying a good cuddle.

He's curious by nature and loves exploring his surroundings, with those beautiful big ears making sure he never misses a thing! He can be a little skittish when you first approach, but once he knows you're there for cuddles, he's more than happy to settle in for some affection.

He has the cutest personality quirks, including making funny little noises when he's busy digging in his tunnel. He also loves retreating to a cosy little box where he can hide away and relax. If you're looking for a sweet, curious companion with plenty of personality, this gorgeous bun could be the perfect match for you.
