WOODY

Animal Ref Code: G173

About them:

This little guy is confident and lots of fun! He loves interacting with humans and as soon as he hears a packet rustle or the fridge open, he will rush out and make the sweetest noises. He loves to show how happy he is by doing constant popcorns and zoomies! He'll happily sit on your lap for a cuddle but he also likes exploring and loves outside time on the grass. He would do well with a spacious pen and lots of enrichment to keep him occupied, as he has lots of energy!

Woody was originally surrendered with his brother but had to be separated. As he is a confident little guy, he would probably be happy as a solo piggy, as long as he gets lots of attention from his hooman!

He also has the most amazing crazy hairdo, which perfectly matches his fun personality.
