GREEN

Animal Ref Code: R338

About them:

This baby is such a softy, easily the calmest of their 7 siblings. Will melt into your lap when getting pats.

The babies are still learning all about how the big world works. So far they are doing incredible and super friendly.

From day one they have been handled and surrounded in a very busy household so it takes a lot to spook these little ones.

They are so fun to be around and watch. Ready to take on the world and explore.

Not toilet trained yet but this will come with time once they are old enough to be desexed.
