ISLA & ZARA

About Isla & Zara

This sweet, floppy-eared duo is full of charm! Between them they have one white foot, a few white toes, and opposite floppy ears — double the cuteness!

Isla is the boss lady (with a soft side — she can startle if woken from a good relax), while Zara is the laid-back snuggle bug who loves cuddles with her sister and her humans.

Breakfast time? They know it. Expect curious faces peeking over the pen 🐰

They adore sun-soaked naps by the window and will always come to say hello when you approach.

They prefer cuddles while you're seated and would thrive in a home that respects their quiet time while gently introducing everyday sights and sounds as they grow. Could Isla & Zara be your perfect pair?
