EVE & BEA

Animal Ref Code: R357 R358

About them:

Eve & Bea are a pair of super cute mini lops, with lots of energy and attitude to match!

Eve (grey/white bunny) and Bea (brown/grey) absolutely love to explore and play, but will stop for some pats and some food; these two love their hay and pellets (so be sure to have plenty available!).

These two are toilet trained for wees, but poo can get scattered about wherever they go.

They don't need a quiet/calm household, and they are very patient with kids, but if other animals are around, careful introductions are essential!

Both aren't fans of being picked up, but Eve may have some cuddles as long as its on her terms.

These gorgeous girls seek a loving home, where they can be involved in the family, and be a part of everything!
