## COLIN

Animal Ref Code: G261

### About them:

Colin is a shy boy. After losing his partner, he has found it hard to be alone. However with lots of snuggles and some spinach, he is starting to show his personality!

He is calm around gentle children and not afraid to be around cats. He loves hay and carrots as a treat. While he hasn't made any squeaks yet, they are definitely in there somewhere ready to shine!

Colin would suit a home with a resident guinea pig for him to join, so he can bond with a partner and fill the void that was left.
