PENNY

Animal Ref Code: R367

About them:

Penny is a brave, sociable and active rabbit who loves being part of the family. She's also a bit of a goofball, always keeping you entertained with her funny personality!

She loves running around her enclosure, exploring, playing in tunnels and relaxing in her hide box. Penny is very people-oriented and will often run over for pats and attention, happily sitting beside you while enjoying head, nose, ear, neck and shoulder scratches.

She's curious about everything and would thrive with free roam or a large enclosure with plenty of space to explore.

Penny does have one boundary — she doesn't like being touched near her tail, which can startle her. With her boundaries respected, she's a wonderfully affectionate, playful and entertaining companion.
