## LILY AND JOEY

Animal Ref Code: R201 R202

### About them:

Abandoned at a worksite, Lily and Joey had to learn from scratch that humans can be kind and safe. Now, with love and patience, they've blossomed into the sweetest little pair.

Lily, a classic REW, is the epitome of gentleness. She'll delicately take the tiniest pellet from your hand and loves quiet moments of attention once she feels safe.

Joey, her doted-on son, is gaining confidence every day but still takes his cues from his mum — he truly is the apple of her eye.

Both bunnies are calm, grounded, and incredibly loyal to each other. They enjoy gentle pats once trust is built, love exploring at their own pace, and could thrive in a quiet home where they're given time to adjust.

This devoted duo isn't just looking for a home — they're looking for someone willing to let their bond and trust grow, rewarding patience with endless love and companionship. Could that be you?
