## ATREYU

**Animal Ref Code: R360**

### About them:

Atreyu is a friendly giant who will come up to you and rest her head on your lap while you scratch her head and face.

She is extremely friendly, loves being held and will snuggle in your arms. Atreyu is very much a people person and would rather be by your side than on her own.

Atreyu is a very good free roam rabbit, she hops around but doesn't chew a thing and goes to the litter box while out and about. Although she isn't fully toilet trained at the moment, she is getting very close!

Atreyu doesn't seem to like loud sounds and the chaos of children running around, likely because she isn't familiar with this setting, so may take some time to adjust. However, Atreyu herself is very talkative and makes lots of sounds.

If offered treats, she gently takes them from you when other buns will quickly snatch and run off. If you were looking for a dog... this is the bun version!
