OSCAR

Animal Ref Code: R318

About them:

Oscar is a gentleman; he is a cute little man with a lot of love to give. He loves little scratches under his chin and will lick your fingers to say thanks. He is good at telling us how he feels. He is looking for a home with another rabbit as he recently lost his bonded friend.

Oscar loves a cuddle but appreciates when people respect his boundaries, he may not be suitable for young children as he has nipped a younger child before. He likes to be picked up and held; he'll give you kisses on the fingers and even on the face if you let him. He's a loving boy with such a gentle soul. He is good at telling you when he'd had enough and will generally wriggle out of your hands or hop away.

Oscar will jump up on the bed for cuddles once he feels relaxed and comfortable in his home. He would be best suited to a free-roam household; he loves to follow you around the house and will beg for veggies while you're cooking in the kitchen.
