DENNIS AND DARCY

Animal Ref Code: R87 R88

About them:

This incredibly special sibling duo have been through so much together. Dennis & Darcy were once stuck in a heartbreaking cycle of backyard breeding, having two litters before being separated and placed into opposite hutches, unable to even be together.

Coming into rescue changed everything. They received the vet care they needed and, most importantly, were reunited. Since then, they've been completely inseparable.

Now they spend their days exploring their foster home, followed by quiet moments relaxing side by side. Dennis & Darcy are the kind of buns that instantly make you feel calm, loved, and at peace.

They're still waiting for their forever family—one that will grow with them and offer the safety and security they've long deserved. As two of our longest residents, we're truly hoping their happy ending comes soon.

Rescue Story:

Surrender after out of control breeding
