## JAKE & AMY

**Animal Ref Code: R294 R295**

### About them:

Amy and Jake are two very happy, loving bunnies who adore each other's company. They are often found cuddling and grooming each other and would love to find thier forever.

They are friendly, curious and always hop over to say hello, often standing up on their hind legs to check if there might be a tasty snack! Both love their food, head pats, a clean pen and plenty of attention.

Amy is very happy being picked up and cuddled, while Jake can be a little trickier to catch. With patience, kindness and a few pellets of encouragement, he is perfectly happy being held.

They love daily interaction, enjoy watching people go by and will happily encourage you to stop for some attention. These two gorgeous bunnies would make a wonderful addition to a loving family.
